

OCCUPATIONAL MEDICINE BOARD EXAM PREPARATION COURSE

WEDNESDAY, SEPTEMBER 11, 2019 • 8:00 AM – 5:30 PM

SHERATON SAN DIEGO HOTEL AND MARINA - BAY TOWER

SAN DIEGO, CA

New this year, the **Western Occupational & Environmental Medical Association (WOEMA)** is offering a one-day, condensed eight-hour refresher course to prepare graduating and current residents to take the ABPM Occupational Medicine Board Examination, as well as for established Occupational Medicine physicians to update their knowledge ahead of the recertification exam. John Meyer, MD and Nimisha Kalia, MD will provide a teaching session and review on clinical, administrative, and programmatic aspects of occupational medicine that appear on the ABPM examination, and offer you the chance to assess your familiarity with the major areas of occupational medicine practice. Whether you are taking the exam for the first time, or are updating for your ten-year re-certification, this course can provide you with the right material to enable you to feel confident in your OM expertise.

**ATTEND THIS ONE-DAY
COURSE TO PREPARE TO
PASS THE OCCUPATIONAL
MEDICINE BOARD EXAM!**

The WOEMA designates this live activity for a maximum of 8.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ACCOMMODATIONS

The course will be held at the **Sheraton San Diego Hotel and Marina - Bay Tower** located at 1590 Harbor Island Drive, San Diego, CA 92101.

Hotel accommodations are available at a discounted group rate of just **\$219/night single or double**, with the resort fee waived. Be sure to mention "WOHC 2019" when reserving your room to receive the discounted group rate. This discounted rate is available until Wednesday, August 21, 2019 cut-off date. It is at Hotel's discretion whether to accept additional reservations, which will be subject to prevailing rates and availability. Reserve a hotel room online or make your reservation by phone: 619-291-2900.

FACULTY

John Meyer, MD, MPH, FACOEM is Professor and Director of the Occupational Medicine Residency Program in the Department of Environmental Medicine and Public Health, and practices at the Selikoff Centers for Occupational Health at the Icahn School of Medicine at Mount Sinai. He is also the co-Editor-in-Chief of the American Journal of Industrial Medicine. Dr. Meyer received his MD from the Cornell University Medical College in NYC, and his MPH in environmental health from the Boston University School of Public Health, and completed residency training in occupational medicine at the Boston University Medical Center in Massachusetts.

Nimisha Kalia-Satwah, MD, MPH is an instructor of medicine at the Johns Hopkins University School of Medicine. She also holds a joint appointment in environmental health sciences at the Johns Hopkins Bloomberg School of Public Health. Her area of clinical expertise is environmental and occupational medicine. Dr. Kalia-Satwah earned her MD at the University of South Florida College of Medicine. She completed her residency at Greenwich Hospital and performed a fellowship in occupational medicine at Johns Hopkins. She also holds an MPH from the Johns Hopkins Bloomberg School of Public Health and an MBA from the Johns Hopkins Carey Business School.

OCCUPATIONAL MEDICINE BOARD EXAM PREPARATION COURSE

WEDNESDAY, SEPTEMBER 11, 2019 • 8:00 AM – 5:30 PM
SHERATON SAN DIEGO HOTEL AND MARINA - BAY TOWER
SAN DIEGO, CA

COURSE LEARNING OBJECTIVES

Upon completion of this educational activity, participants should be able to:

- Develop a strategy for preparing for the American Board of Preventive Medicine occupational medicine (OM) certifying or recertifying examination
- Identify requirements and content of the OM exam and review sources for preparation and exam review
- Identify health effects of chemical, physical, biological, psychological, and ergonomic hazards
- Describe the etiology, diagnosis, treatment and prevention of occupational and environmental diseases
- Apply current best practices and clinical guidelines to the treatment of occupational diseases and disorders
- Discuss control of occupational and environmental factors that affect health
- Review the etiology, diagnosis and treatment of travel-related medical conditions
- Describe the managerial and administrative aspects of occupational medicine practice.
- Outline the regulatory, legal, and ethical framework under which occupational physicians and related professionals operate, and apply this framework to cases and problems that arise in practice
- Update their knowledge of specific practice areas within occupational medicine to meet the requirements of recertification
- Apply epidemiologic, statistical, and toxicology principles to occupational medicine decision-making and practice

COURSE FORMAT

The course format is a combination of lecture, discussion, case studies, and sample exam-type questions.

SPECIAL ACCOMMODATIONS

If due to a disability you have special needs or requirements, please call 415-764-4918 and we will do our best to accommodate your needs.

REGISTRATION POLICIES

Space is limited and registration will be accepted on a first-come first serve basis for the first 100 attendees. Cancellation notification must be made in writing by no later than August 9, 2019 by email to WOEMA at woema@woema.org. If a cancellation request is received by August 9, 2019, payment will be refunded less a \$75.00 administrative fee. Refunds will not be issued for notifications after August 9, 2019.

QUESTIONS

For questions, contact WOEMA by email or phone at: woema@woema.org or call: 415-764-4918

Registration is available on-line at:
